

## Recommendation of Ken Fish – Kingdom Fire Ministries

My name is Jeffrey Fazl and I am the Lead Pastor of Freedom Centre in Nth West Sydney. I have had the pleasure of knowing Ken Fish for many years and more specifically in the last 6 years. Ken is both a good friend and fellow minister.

Ken has been visiting Australia for over 25 years and intensively for the last 5 years. He has been ministering in a variety of denominations with significant impact on those who have had the privilege to hear him and receive ministry from him. I have travelled with Ken on numerous occasions and have witnessed his ministry across a diversity of church life.

Ken has had enormous impact on many lives including the congregation members at Freedom Centre as well as my wife and me. Ken is deeply compassionate in the ministry setting and extremely well balanced in his theology and ministry.

- **Teaching** – Ken is a scholar of the highest proportions. His grasp of Old and New Testament knowledge and understanding is of the highest caliber. His knowledge and capacity to convey that knowledge with understanding is transforming at the very least. Ken not only teaches the Word of God well but, lives it out of a deep love for the God and His Word.
- **Ministry** – The ministry that follows that teaching is powerful. Mixed with prophetic accuracy and deep compassion, many people have experienced the life changing power of the Holy Spirit through ministry times with Ken Fish. In a one on one exchange Ken is the most compassionate person I have seen in ministry in my 33 years of Christianity.
- **Miracles, Prophecy, Healing and Deliverance** – These are very distinct areas of ministry in Ken's life. He ministers with profound prophetic accuracy and, in my opinion, has one of the most effective healing/miracle ministries in the earth today. With that healing ministry is a very well-balanced and integrity-filled ministry of deliverance that is both practical and deeply insightful.
- **The Man** – Ken is a caring and passionate person who longs to see people free and living in the liberty that Jesus came to give us. His preaching does not bore nor is long winded but is clear, concise and delivered with understandability, being at times humorous as well as sincere and truthful.

I would recommend Ken Fish to any church or organization that is looking to train leaders or bring a deeper love for Jesus and a deeper health and functionality to their people. You will be richly rewarded if you do so.
