It is my great pleasure to recommend the ministry of Ken Fish.

Ken's ministry offers a rare blend of keen, comprehensive insight into the scriptures plus the manifest power of God in signs and wonders. Following the pattern of Jesus, Ken both proclaims and demonstrates the gospel of the kingdom of God.

Gifted as a spiritual *architekton* (master-builder), Ken releases grace into both local churches and into the church in regions and nations. His weekend workshops on deliverance and keys to revival have impacted our church with increased boldness, more empowered ministry, and a lasting atmosphere of the Spirit. I trust him to discharge his growing responsibilities in the church with the profound integrity and uprightness of character I have come to expect from this servant of the Lord.

I most highly endorse and recommend Ken Fish.
