

I have worked with Ken Fish consistently for the last three years. I have traveled to places where he has been ministering and I typically bring him out to The Bridge Metrowest in Natick, Massachusetts two times a year to teach and minister.

I have walked with many men of God. I have walked with men who preach, teach and those who minister in the glory and in power. Ken is one of the best teachers of the Word that I have ever sat under. There is much talk in our circles concerning the “office” of the prophet and apostle, but if there is anyone I have ever seen that holds the apostolic office of teacher, it would be Ken. There is a power, authority and clarity on his teaching that is uncommon in our culture. He teaches by the Spirit but with great thought and preparation. He ministers in power with great love and compassion.

I have had the great honor and opportunity to speak into Ken’s life and have him speak into mine. He is an asset to the kingdom and a friend. His teaching has had an impact on my life and on the life and direction of our church. We look forward to working with him consistently in the future.

Grace and Peace
